- 1.2 All Players must be registered SCNL prior to playing any in league or cup competitions games in SCNL and/or Netball South West Regional Leagues (NSWRL).

### **2 Joining SCNL, Kit, Venues, Structure, Points, Relegation and Promotion**

- 2.1 All Players must be members of EN with current membership paid to a Club playing in the SCNL for the appropriate season.
- 2.2 All Players must be registered with SCNL prior to playing in any in league or cup competitions games in SCNL and/or NSWRL.
- 2.3 All entries and withdrawals must be received by the SCNL by the Somerset County Netball Association (SCNA) AGM, although in exceptional circumstances late entries may be permitted.
- 2.4 SCNL has no objection to Clubs from other counties entering the SCNL providing the home county has no objections and all necessary financial transactions are completed with the home county, Netball South West (NSW) and EN.
- 2.5 All Divisions shall consist of a maximum of 11 teams and a minimum of 9 teams. When possible all divisions will consist of an equal number of teams but when this is not possible the lowest or lower divisions shall have the fewer teams. During exceptional circumstances where the league structure may need to be completely reviewed or modified then SCNL will provide clubs with suitable alternatives to the standard league format.
- 2.6 All matches shall be of one hour, divided into four quarters of fifteen minutes each, with an interval of three (3) minutes between the first and second, and third and fourth quarters, and a five (5) minute interval at half time.
- 2.7 Club colours must be registered with the SCNL. Any changes to the colour of kit must be approved by the SCNL. Consideration should be given to the Club colours of other clubs in the SCNL – if a Club wants any clarification **before** changing their Club colours they should discuss with the SCNL.
- 2.8 If teams have similar match day kits then the home team will be responsible for providing and wearing a distinguishable different set of bibs or kit.
- 2.9 All matches must be played on courts in accordance with EN rules with adequate surrounds and adequate lighting. Posts, tripping hazards etc need to be risk assessed by the home club and reviewed regularly. If any club is dissatisfied with any of the court conditions referred to above they should report the matter in writing to the SCNL who on receipt of such a complaint will make the necessary arrangements to assess the situation in liaison with the County Officiating Secretary.

## Somerset County Netball League Rules 2023/2024

- 2.10 A team whose opponents are not ready to start with 5 players on court within 15 minutes of the agreed start time may, if they wish, postpone the match. If this is the case a report should be forwarded to the SCNL for discussion and a recommendation made on the outcome of the match.

All efforts must be made by the opposition to let the home team know of any unforeseen events whilst travelling to a game and to make the home team aware of any delay to the fixture. Not allowing enough time to travel to a fixture is not sufficient. It should also be noted that in most circumstances the teams will be asked to play the match on an agreed date.

- 2.11 SCNL points will be awarded as follows:

Win	5 points
Draw	3 points
Loss, by less than 5 goals	2 points
Loss but more than half of winning goals	1 point

- 2.12 At the end of the season if teams tie as Division winners the SCNL Division trophy will be shared and will be held by the teams for equal periods. The last team to hold the trophy will be responsible for returning it before the SCNL Presentation Evening.

If trophies are damaged or lost then SCNL will expect the last team responsible for the trophy to repair it or replace it.

- 2.13 Where two or more teams are level on points to determine promotion or relegation the final placings will be decided as follows:

- a) If any of the teams level on points have forfeited one or more league matches during the season, then the team which has forfeited the greater number of matches shall be placed lower.
- b) If teams are still level, goal average shall be used to determine their relative positions, i.e. the team with the higher goal average over the course of the season shall be placed the higher.
- c) Where one of the teams level on points has had a match or matches cancelled and therefore no goals have been scored or conceded then the goals from the corresponding fixture of the other team(s) level on points shall be omitted from the goal average and goals scored calculations.
- d) In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e. the team with the greater difference between goals scored and goals conceded shall be placed the higher.

## Somerset County Netball League Rules 2023/2024

- e) In the event that neither goal average nor goal difference can differentiate between the teams, the aggregate score in the matches played between the teams over the course of the season shall be calculated and precedence given to the winning team.
- f) In the event that none of the above differentiates between the teams, SCNL will determine the means of differentiation.

2.14 Should a team withdraw from the SCNL all points and goals gained from matches already played will be totally discounted.

2.15 SCNL Promotion and Relegation shall be as follows:

a) Premier Division - Promotion

- (i) The winner of the Premier Division will represent Somerset at the NSW regional playoffs and if successful will then compete in NSWRL Division 3 the following season.

- (iii) If the winner of the Premier Division is promoted to NSWRL Division 3 and a team is relegated from the NSWRL Division 3 then the bottom 2 teams will be relegated from the Premier Division.
- (iv) If there are any situations not covered by the above then the SCNL will make a recommendation to SCNA.

c) Lower Divisions - Promotion

The winner and runner up in each Division will be promoted – applying 2.12, if necessary.

d) Lower Divisions - Promotion

- (i) The 2 bottom teams in each Division above the lowest Division will be relegated – applying 2.12, if necessary.

## **Somerset County Netball League Rules 2023/2024**

## **4 Player Categories**

## **Somerset County Netball League Rules 2023/2024**

4.1 All players must be registered and have appropriate membership as stated in Rules 1.1 and 1.2. Any team breaking Rule 4.1 will incur a penalty of 3 points and a fine (minimum of £20), but the result of the match and points awarded will stand.

4.2 All players should be categorised by their clubs as follows (these include Regional Teams):

<b>Team</b>	<b>Category</b>	<b>Team</b>	<b>Category</b>	<b>Team</b>	<b>Category</b>	<b>Team</b>	<b>Category</b>
1 <sup>st</sup>	A	4 <sup>th</sup>	D	7 <sup>th</sup>	G	10 <sup>th</sup>	J
2 <sup>nd</sup>	B	5 <sup>th</sup>	E	8 <sup>th</sup>	H	11 <sup>th</sup>	K
3 <sup>rd</sup>	C	6 <sup>th</sup>	F	9 <sup>th</sup>	I	12 <sup>th</sup>	L

4.3 All clubs must keep a register of matches/quarters played by each player in all matches.

4.4 There should be a minimum of 7 players in each category. This minimum number must be maintained throughout the season.

At the start of the season, where possible, players must start their first game in the category they have been registered. However, if a player is categorised in a team but is not able to play for the first match then this is acceptable. However, if they then miss 3 matches then there needs to be a discussion with the County League Secretary with details of the reasons.

4.5 A player cannot miss more than 3 matches in the selected category or above, before she has to be replaced.

4.6 A player who becomes pregnant or injured will have to be re-categorised into the lowest category and replaced. See rule covering pregnancy at Rule 7.

4.7 If a player is re-categorised to a higher/lower category (other than the lowest category), she must play in the next match at that category (or a higher category)

4.8 Players in a lower category may play unlimited matches in a higher category (not including Regional Teams)

4.9 Any club/team playing a player in a category below their category, or fails to re-categorise a player prior to missing 4 consecutive matches (including cup matches), will incur a penalty of 2 points and a fine (Minimum £20), but the result of the game and points awarded will stand. The only exception is un-tied Regional Players see rule 5.5.

4.10 There shall be no re-categorisation of players after March 24<sup>th</sup>, unless agreed by SCNL.

4.11 SCNL and ultimately SCNA has the power to impose whatever penalty it deems appropriate, especially if it feels a club or team is deliberately flouting the rules to gain an advantage.

4.12 Any player wishing to change clubs during the season may do so once SCNL has received written details from the two clubs concerned. This player may not play in the KO cup or associated competitions if she played in the KO Cup for that season for her original club. If a player does play for a team before it is agreed then the team will automatically forfeit the

## **Somerset County Netball League Rules 2023/2024**

match concerned and any points gained from that match. The points will be awarded to the opposition. In addition the offending team will have 2 points deducted and a fine may be levied by the SCNL.

- 4.13 A player cannot play for more than one club within SCNL, but can play for a separate Somerset club in the NSWRL but will be subject to the 16 quarter rule at 5.5 & 5.6.
- 4.14 A player is eligible to play for a Somerset club if she is registered with a club in another county playing at a local league or county league level. Her membership to EN would be recorded according to NSWRL rules. It will be up to the Somerset Club to check that the player's original registration with EN has been accepted and recorded.
- 4.15 The SCNL will carry out weekly checks of score sheets to ensure that the category rules are not being broken. If there are any teams that think their opposition are abusing the registration rules, they should report this to the SCNL in writing. The complaint will then be investigated and reported to SCNA. If the complaint is upheld a fine may be levied in addition to the forfeiture of points as detailed in 4.9.
- 4.16 Any club/team failing to pay fines will not be allowed to enter any events the following season until the fines have been paid.

### **5 Regional Team/Squads/Players**

- 5.1 All players representing Somerset Clubs in the NSWRL must have membership to EN, NSW and SCNL Club for the appropriate season.
- 5.2 Clubs playing in NSWRL are responsible for sharing accurate squad and match information with SCNL within 3 days of any NSWRL matches. The score sheets from the NSWRL matches, which includes details of all players, including quarters played for each game need to be sent to the following email addresses (in addition to the NSWRL manager)

[SomersetNetballLeague@outlook.com](mailto:SomersetNetballLeague@outlook.com) and [SCNLcategories@hotmail.com](mailto:SCNLcategories@hotmail.com)

Failure to share match team sheets and accurate squad sheets will result in minimum fine of £20.00.

- 5.3 No player registered with a Super League franchise, National Premier Team, other Regional League team may play in the SCNL except in exceptional circumstances, and then they must have prior consent of the SCNL. It is the SCNL club's responsibility to ascertain new players' previous playing experience, especially if joining mid-way through a season. Permission may be requested from the player to contact previous clubs and league to ascertain the number of quarters they have played in higher level competitions before any permission is granted to play in the SCNL.
- 5.4 Clubs which have (a) team(s) participating in a connected league i.e. NSWRL RL1, RL2 or RL3 (South or North), must abide by the principle of having separate squads. The following provisions will control the movement of players.

## **Somerset County Netball League Rules 2023/2024**

- 5.5 All NSWRL squads must identify a minimum of seven (7) tied players at the time of registration with NSWRL, these players must also be notified to the SCNL. None of these players will be permitted to play in a lower team in their club, in the SCNL. The exception being the untied/bench players of the lowest regional team, then for that club they are entitled to play in their highest team in SCNL until they have reached playing 16 quarters in NSWRL, when they then will become tied to the NSWRL squad for the remainder of the season. i.e. Galmington and Trident tied players are unable to play in any SCNL or cup games. Hovelands untied players are able to play down in to Claremont only until played 16 quarters for Hovelands in NSWRL, then the player is tied for the remainder of the season to the higher team.
- 5.6 Clubs are able to register with NSWRL extra squad players from other Clubs after the initial registration with NSWRL in September of each season. Any additional players must be registered and categorised appropriately with SCNL at the same time as registering with NSWRL. Any player registered as a squad player with SCNL will be able to play in a NSWRL squad up to a maximum of 16 quarters. Thereafter they will be tied to the higher level and identified as a permanent member of that squad and will not be able to play down into SCNL for the remainder of the season. i.e. A player from Wells NC's first team plays for Tor's regional team. Once they had played 16 quarters for Tor in NSWRL they are then tied to that regional team and can longer play in the SCNL for Wells NC.
- 5.7 If a tied player is released from the higher squad for reasons of injury the club must seek permission of the SCNL for them to play in lower teams in the SCNL.
- 5.8 It is the responsibility of SCNL clubs playing NSWRL to ensure all NSWRL players are categorised/recategorised appropriately throughout the season, failure to do so will result in £20 minimum fine.
- 5.9 In the event of end of season play-offs being required to resolve promotion or relegation issues, the eligibility of players in each team shall be covered by the rules regarding quarters played over the season and tied players.

### **7 Health & Pregnancy Recommendations**

- 7.1 EN recommends that individuals (player, coach, umpire) if pregnant should only participate with approval from their doctor and in accordance with any guidelines issued by EN. Neither EN, nor the club will be held liable for any pregnant individual participating in recognised and authorised activity should the individual suffer a miscarriage or permanent damage to herself and/or unborn child as a result of participating.
- 7.2 The EN Personal Accident cover will not provide any benefit for injury, loss or expense due to pregnancy, childbirth, miscarriage or any consequence thereof. For example, if an 'Insured Person' who is pregnant is involved in an accident (not pregnancy related) and suffers a broken leg then, subject to claims validation, EN would pay any broken bones benefit, the Hospital Confinement benefit and Temporary Total Disablement benefit due under the Personal Accident Insurance Policy resulting from this injury.
- 7.3 However, if the absence or hospital stay is prolonged as a direct result of pregnancy, pregnancy complications or even early childbirth then this would not be covered. The EN insurance scheme is provided as a Membership benefit and ensures that Affiliated Members (referred to in the Liability insurance documents as 'Registered Participants') and in the Personal Accident documents as an 'Insured Person' are covered for Liability and Personal Accident Insurance, at the level of cover applicable to their category of membership.
- 7.4 Full terms and conditions apply as detailed in the EN insurance policy documents, in association with EN's current Memorandum, Articles, Regulations and Policies. These documents are available to individuals on request by email, or can be downloaded by every member on the downloadable documents in ENGAGE. Please note this guidance supersedes previous guidance that players, coaches, officials should only participate up until their 12th week of pregnancy.

### **8 Officiating**

- 8.1 All umpires must have current membership to EN for the season they officiate in. All umpires need to be registered with the County Officiating Lead (previously known as Umpiring Secretary) before officiating matches at any level.
- 8.2 All umpires have a responsibility for their personal fitness and for keeping up to date with rule changes. They also need to check that they have the correct umpiring level recorded on their ENGAGE account.
- 8.3 When allocating umpires, clubs should ensure that they allocate umpires that meet the fitness requirements to officiate the level of game they have been allocated. Clubs can

complete the umpire expression of interest form and submit to the County Officiating Lead for development support.

- 8.4 Members of EN and SCNL may serve on the Officiating Sub Committee. It is preferable that they hold an umpiring qualification
- 8.5 All resolutions decided upon by the Officiating Sub Committee can serve as recommendations to SCNA. Action may be taken upon approval from SCNA.
- 8.6 The Officiating Sub Committee shall hold at least four meetings during their year of office.
- 8.7 All umpires who wish to umpire SCNL matches and cup competition matches must have current membership with EN before officiating at any matches. Teams that use umpires that do not have EN membership will be fined £30.00 and the SCNL will consider the result of the match and whether the result stands.
- 8.8 Umpires from outside Somerset must provide proof of EN membership and their umpiring qualification to the County Officiating Lead prior to officiating in SCNL. If possible umpires from other counties who are being used regularly by clubs should be registered as 2<sup>nd</sup> claim with the Somerset club. This will allow the County Officiating Lead to check details on ENGAGE.
- 8.9 Teams that use umpires that do not have EN membership and/or do not have the correct umpiring qualification will be fined £30.00 and the SCNL will consider the result of the match and whether the result stands.
- 8.10 All matches within the SCNL and cup competitions require the following umpire awards:

<b>Premier Division</b>	A and B award.
	C award umpires actively working towards the B award qualification. Umpires should be assessed in line with the EN A, B, C assessor criteria prior to being given premier division and RL3 endorsements.
<b>Division 1</b>	A and B award.
	C award umpires who have been observed using the EN C, B, A assessor criteria, and given Division 1 endorsements.
	If an umpire has achieved a C award where they were assessed on a Division 1 game.
	Umpires who have attended a C award course who are working towards an award and have been given endorsements by a member of the Officiating Sub Committee.
<b>Division 2</b>	A, B and C award umpires.

## **Somerset County Netball League Rules 2023/2024**

	Umpires that are actively working towards a C award and have been observed using the EN C, B, A Criteria and been given endorsements.
	Umpires who have attended a C award course who are working towards an award and have been given endorsements by a member of the Umpiring Sub Committee.
<b>Division 3/Division 4</b>	A, B and C award umpires.
	Into award umpires who were assessed at a Div. 3/4 game, or newly qualified Into award umpires who have been observed by a member of the umpiring subcommittee, or an experienced umpire in their club. This must be communicated to the County Officiating Lead.

- 8.11 For C award umpires, a Premier Knock Out (KO) Cup match will not be included in their match allocation. Teams playing in the KO cup must provide an umpire who is qualified to the level of the highest team in their match.

### **9 Umpire Endorsements**

- 9.1 C award umpires (who qualified before 2018) actively working towards their B award qualification will be given endorsements for SCNL Premier and Division 1 matches after being observed using the EN C, B, A Assessor Criteria.

- 9.2 Endorsements may be granted for RL2 or RL3 fixtures subject to an observation and recommendation from an appropriate assessor using the EN C, B, A Assessor Criteria.

Approval to NSW Officiating Administrator will come from the County Officiating Lead.

Umpires actively progressing to the next stage of the officiating pathway should provide evidential proof through their logbook of matches officiated; it is expected that this will include a variety of matches. Log books can be accessed through your County Officiating Lead and EN Website [Record-of-Assessment-Log-2017.pdf \(d2cx26qpfwuhvu.cloudfront.net\)](https://d2cx26qpfwuhvu.cloudfront.net/Record-of-Assessment-Log-2017.pdf)

- 9.3 Endorsements for any Into-officiating or C award umpire will be awarded based on an assessment/ observation by an appropriate observer or assessor, using appropriate assessment criteria for each award. Should an umpire be unavailable for two consecutive seasons due to injury or pregnancy, their case will be referred to the County Officiating Lead; the umpire will then be assessed using the appropriate criteria for their award. No two situations are identical therefore each case will be reviewed on its own merits, in a fair and consistent manner.
- 9.4 If a C award umpire has received endorsements for 2 consecutive seasons and is not actively working towards the B award this will result in no further endorsements being awarded.
